Figure 2
Shallow Groundwater
Flow and Estimated
VOC Plume

- Screening Sample From Direct Push Boring Ground Water
- Monitoring Well Samples
- Estimated Groundwater Flow Contours - Shallow Zone
- Apparant Groundwater Flow Direction April 26-27, 2012
- Estimated VOC concentrations >100 ppb based on May 2012 data
- Estimated area of VOC concentrations >0 ppb based on May 2012 data

Date: Decembert, 2012
